***NOTES:**

- 1 Subject to VAT according to Finnish TAX legislation.
- 2 Terminal handling is calculated based on actual weight.
- 3 Services rendered out of office hours (excl. Storage and surcharges) surcharge of 50% is applicable. On Sundays, Saturdays and Public holidays 100 % surcharge is applicable (office hours 07:00 – 18:00)
- 4 Security charge applicable only when security checks done by request/demand of the airline/freight forwarder i.e. SPX shipments no charge.
- 5 This charge applicable only when cargo not loadable to customers vehicles by forklift. Written order to e-mail (terminal@cargo-center.com) is required.
- 6 Storage charge is applicable if shipment has not departed (export) from terminal during first three days after arrival (included). Shipments arriving on Weekends or Public Holidays, arrival day is following working day. Storage charge is counted from the day of actual arrival.
- 7 This charge valid only for additional services ordered to ASR Cargo Center.
- 8 These rates are for Freight Forwarders related to airfreight shipments on airlines that are handled by ASR Cargo Center. Other services available per separate offer/agreement. For non-credit customer all charges are payable before release of the cargo. ASR Cargo Center has right to refuse the credit and hold the goods until all charges paid. ASR Cargo Center has lien over the goods according to freight forwarding and storage conditions of contract.
- 9 Storage charge is applicable if shipment is not collected (import) from terminal during first two days after arrival (included). Shipments arriving on Weekends or Public Holidays, arrival day is following working day. Storage charge is counted from the day of actual arrival.
- 10 If shipment has both PER and temperature control only PER is applied.

All services rendered are subject to the General Conditions of the Nordic Association of Freight Forwarders (NSAB2000)
